

ABA VIDEO ANALYSIS

This video analysis is designed for players that are not able to make it to Albuquerque on a weekly basis. We can analyze Pitching, Fielding, Hitting and Catching mechanics. You will receive a written evaluation (through email) and we will schedule a phone conference to talk you through your mechanical issues. You will need to call to discuss the proper angles for video.

**In town video analysis is available with one hour Private Lesson
*Call for details***
